Exhibition and
Convention Centre

Exhibitors and visitors to Fastener Poland will have an opportunity for the third time to present their offer, target potential business partners, initiate cross-border contacts and long-lasting co-operations, exchange experiences. 190 exhibitors took part in the previous edition, up to 64% of the exhibitors were companies from foreign countries, including China, the Czech Republic, Denmark, France, Spain, South Korea, India, Germany, Taiwan, Turkey, the UK, USA and Italy. Visitor statistics were also quite impressive: 4,000 visitors, 26% of whom were from foreign countries: Czech Republic, Slovakia, Germany, France, Israel, Russia, Ukraine. Visitors represented such industries as metal processing, automotive, joinery, construction, furniture and others.

The exhibitors also appreciated the good organization and atmosphere that accompanied the event.

"The second edition of FASTENER POLAND® showed that the fastener industry continues to grow. For our company, it was an opportunity to forge new business contacts in Poland and beyond and meet our current partners. We appreciate the lengths the organizers went to in order to ensure visitor comfort at the event. We hope that the amazing atmosphere of this year's edition will help make the trade show grow in the future. See you next year!" Adam Dobrzewiński, CEO at ABAKOSTEEL s.c.

Join us for the 3rd FASTENER POLAND Trade Show on 8th-9th October 2019 at the EXPO Krakow, Poland!

Fastener Trade Show Suzhou

中國蘇州緊固件展

10/23-25

Suzhou International Expo Center

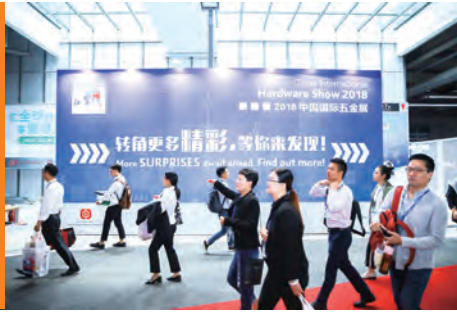

As one of the most specialized fastener exhibitions in the world and a widely expected fastener event, the 19th Fastener Trade Show is dedicated to connecting the upstream and downstream of fastener manufacturing industry. Focusing on end users and building a global fastener trade platform are the highlights of the show.

Suzhou, one of the central cities in Yangtze River Delta, is the most developed and modern cities in Jiangsu Province. In addition, Suzhou enjoys a very convenient transportation with only 80 km away from Shanghai, and less than 200 km away from Jiaxing, Wuxi, Ningbo, Hangzhou and many other fastener manufacturing bases. Therefore, the Suzhou show can not only help visitors easily connect with most of the fastener manufacturers in China, but also provide them with a good chance to visit the fastener factories.

In recent years, the Suzhou show has expanded into two halls, respectively the Fastener Hall and the Equipment Hall, with total exhibition space of 12,000 sqm. The 19th Fastener Trade Show Suzhou will continue strong momentum with expected more than 400 fastener and supporting manufacturers worldwide. Therefore, the show will offer a great opportunity for professional buyers to do one-stop purchasing of fastener products, production equipment and auxiliary products, as well as raw materials.

According to the statistics of previous Suzhou shows, visitors came from 40 countries and regions around the world. It is expected that the 19th Fastener Trade Show Suzhou will attract over 12,000 local and overseas buyers.

China International Hardware Show

中國上海國際五金展 10/10-12
National Exhibition and Convention Center (Shanghai)

As the number one trading platform for the hardware industry in Asia, CIHS provides important access to more high-quality buyers. CIHS 2019 will continue and further develop the business matchmaking system and invite professional buyers from China and abroad in advance for one-on-one matchmaking by specialists before the exhibition. CIHS will secure opportunities for on-site business consultation for exhibitors to make the exhibition more efficient. As CIHS maintains its advantages in traditional procurement channels in Europe and the Americas, it increases the recruitment and promotion for buyers and visitors in emerging markets in Asia to create a genuine one-stop business and trading platform for domestic and export sales.

The industry forum at CIHS 2019 will focus on industry trends, inviting experts from the Chinese National Hardware Association and EDRA/GHIN who will provide insight into the import/export data of hardware products in China, new procurement standards for hardware tools and product retailers in Europe and other popular topics. This will open bilateral trading channels for promoting Chinese hardware companies overseas and introducing foreign brands into China.
